

**JOB POSTING – GROUNDED CHARLOTTESVILLE, VA**

Grounded, a landscape architecture firm in Albemarle County, Virginia, is looking for a landscape designer with 1-5 years of experience. We are a small firm focused on detailed, primarily residential sites ranging from large farm properties to urban gardens. Please visit [groundedllc.com](http://groundedllc.com) for information on our work and process.

The ideal candidate will possess excellent design, written and graphic skills to assist senior staff with developing renderings and construction documents. This person must have excellent attention to detail and AutoCAD abilities in addition to comfort with Adobe Suites. Rhino and 3D modeling skills are an added bonus. Lastly, our perfect hire will be self-motivated, articulate, well-organized and love dogs... or at least the two that are integral members of our office. Applicants must have access to a car and current driver's license.

Salary and benefits commensurate with experience. Please send your resume, portfolio and three references to: [info@groundedllc.com](mailto:info@groundedllc.com).
