

Kennon Williams Landscape Studio

Kennon Williams Landscape Studio (KWLS) is an award-winning, design-oriented landscape architecture, urban design, and community planning practice based in Charlottesville, Virginia. We are looking for high energy, flexible, patient, self-starters who are interested in working in a dynamic, creative environment. We are seeking creative entry level and/or mid-level landscape architects / designers to join our growing studio. KWLS offers a collaborative working culture in a thoughtful studio environment. Our projects—located throughout the Mid-Atlantic, Southeast, and Northeast regions—include large-scale urban design and master plans, parks and recreational facilities, campuses, estates and residential landscapes, mixed-use development and residential communities, and historic sites and cultural landscapes.

Required Skills:

Mid-Level and Entry-Level Candidates:

- Proficient with AutoCAD and Photoshop. Proficiency with other Adobe Creative Suite programs (InDesign, Illustrator) is helpful and appreciated.
- Working knowledge of SketchUp or other 3-D modeling software is helpful but not required.
- Hand drawing for conceptual design is helpful but not required
- Skilled in collaboration and able to take direction from the team.

Experience Requirements:

- *Entry-level:* no experience; 1 to 2 years of design office experience preferred but not required.
- *Mid-level:* minimum of 3 years of experience in a design office environment.

Compensation: Commensurate with experience. Usually better than industry standards.
