

Landscape Architect (hourly position)
Elizabeth Blye Delaney Landscape Architect, Charlottesville, VA

Elizabeth Blye Delaney, RLA, ASLA

I am in immediate need of an hourly landscape architect who can do CAD and Sketch Up. I would like to have an hourly as needed relationship for the residential work I do.

Currently, I need a Dimensioned Layout Sheet tweaked and have details added.

Future work would include base sheet prep from GIS or surveys, layout designs and planting plans.

Looking for a detail person as I am big picture. Check out my website: WWW.EBDLA.COM

Pay based on experience and to be negotiated.
