Director of Landscape Architecture

Urban, Ltd. (www.urban-ltd.com) seeks a dynamic and creative landscape architect with a minimum of ten years' experience to lead its landscape architecture team in its Annandale, VA office.

Founded in 1967, Urban Ltd. is a leading full-service civil engineering, transportation engineering, land planning, landscape architecture, and survey service provider to private and public sector clients throughout the Washington D.C. metropolitan area.

Urban will provide:

- A signing bonus
- Competitive salary
- Annual bonus
- Strong 401K matching
- Company benefit package
- High-profile projects to utilize your talents
- A proven track record of repeat business with well-known builders, developers, retailers, public agencies, and other clients

Position responsibilities include:

- Client management and development
- Design quality control and approval
- Providing design leadership and inspiration
- Project, contract, and budget management
- Organization and management of day-to-day operations to meet project goals and deadlines while juggling dynamic priorities
- Supervision and management of landscape architecture personnel
- Coordination of work on projects with other departments

Qualified candidates should:

- Possess an accredited bachelor's or master's degree in landscape architecture
- Be a licensed landscape architect, Virginia preferred
- Have creative design skills
- Demonstrate experience with preparation of design plans for rezoning, site plan and construction documents
- Have strong technical knowledge of landscape architectural construction including codes and development regulations
- Have excellent writing and oral presentation skills
- Be proficient with AutoCAD, Photoshop, InDesign, Sketchup and MS Office
- Have excellent interpersonal and communication skills
- Be a team player able to contribute and work in a collaborative environment

- Have experience in a complex regulatory environment; experience in Northern Virginia or the metropolitan Washington DC area is a plus
- Be eligible to work in the United States

These additional skills and qualifications are desired, but not required:

- Experience with digital 3D Modeling
- ISA Arborist Certification or training

To apply, please submit a digital resume and portfolio (maximum file size 8 MB please) via e-mail to employment@urban-ltd.com listing “Director of Landscape Architecture” in the subject line. No telephone calls please; only those applicants selected for interviews will be contacted.

Urban Ltd. is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, national origin, gender identity, disability, or protected veteran status.
