

## Senior Landscape Architect

Clark Design Group, LLC, a licensed engineering firm, specializes in residential site development designs and large luxury residential pool/backyard designs. We do some institutional work for local universities. We are one of the largest CBPA and JPA permitting companies in the state and we are on the leading edge of drone usage for site plans.

Minimum of 5 years' experience and must be a licensed Virginia LA. Must have extensive AutoCAD experience. Pool Studio, Revit, Sketchup, Vectorworks and drone survey work experience a plus. You will be responsible for complete turnkey designs. Our largest client is a luxury design/build residential pool builder that specializes in concrete pools, pool renovations, decks, pavilions and patios. Must be able to provide a full set of construction/permit drawings, including specifications and materials. Must be familiar with all aspects of VA Building Codes as we operate in multiple jurisdictions.

This person will be responsible for project design, creation of permit ready plans and all aspects of site design (landscape/hardscape/swimming pools). This person will interact with clients, engineers and contractors. Must be a self-starter. Sales experience a plus, but not required. Office and field work. We serve high net worth individuals, builders and institutional clients with unique project design needs. Lots of responsibility for the right person.

We have an extensive design backlog and need you to start right away. Compensation includes Excellent Salary, Auto Allowance, Bonus, Paid Time Off, Retirement Plan, Health Insurance, Live Insurance, Vision, Dental and Paid Vacation. Excellent opportunity for advancement and increased pay/bonus. We are a non-smoking and drug free company. **Salary Range: \$75,000 - \$95,000.**

PLEASE SEND WORK HISTORY, PORTFOLIO SAMPLES, REFERENCES AND PHONE NUMBER to Clark Olsen at [clarkdesignbuild@mac.com](mailto:clarkdesignbuild@mac.com) and call (757) 855-3450 for more information about the position. We work all over Hampton Roads and are based out of Norfolk.
