

waterstreetstudio

landscape architects | planners | engineers

Waterstreet Studio, a regional landscape architecture and environmental design firm with offices in Richmond and Charlottesville, is currently seeking talented landscape architects with 3+ years of experience in design, planning and/or construction documentation.

Current commissions include urban, community and commercial site design, institutional campus and resort planning/design, botanic gardens, residential gardens, farms and estates.

As we expand, we aim to fill vacancies in the Charlottesville and Richmond offices. We are looking for self-starters who are eager to learn, willing to work collaboratively and inspired by thoughtful design.

Skills/Requirements of a successful candidate include but are not limited to:

- Bachelor or Masters' Degree in Landscape Architecture from an accredited program.
- Advanced level of competency utilizing AutoCAD, SketchUp or Rhino, Adobe Creative Cloud, (Photoshop, Illustrator, and InDesign). Experience with GIS is a bonus.
- Strong hand graphic skills and computer graphic design foundation.
- Proficiency in writing reports, technical documents, and general correspondence.
- Ability to communicate clearly and effectively with clients and colleagues to perform expected duties.

Competitive Compensation & Benefits. Flexible & Collaborative Work Environment.

Interested parties may submit cover letter with salary expectation, resume with references and portfolio to info@waterstreetstudio.net or find additional information on our website at www.waterstreetstudio.net.
