

Landscape Architect with 6 to 10 years' experience

LSG Landscape Architecture, Inc. is seeking an experienced landscape architect to join our award-winning practice in the Washington DC Metropolitan region.

LSG Landscape Architecture is an award-winning design firm, with projects focused on the Eastern Seaboard, including assignments across the globe. We believe in placemaking that is smart, sustainable, creative, and transformational. Our design approach embraces creation of an engaging, enlivened sense of place, bringing new design into dialogue with the past.

We are looking for talented and highly motivated individuals who work well with small and large teams and who enjoy the challenge of place making in a collaborative effort. The successful candidate will present strengths and practical experience in project management, creative problem solving and professional communication in verbal and written form. The candidate will have a solid understanding of the design process from concept to construction documentation. Experience with construction administration and specifications are also essential, as well as a demonstrated capacity to handle a range of responsibilities and tasks at all phases of a project.

Qualifications/Skills:

- BS and/or MA/MLA in Landscape Architecture
- Minimum 6 years' experience
- Licensed to practice landscape architecture
- Proficiency in AutoCAD, LandFX and Adobe Suite programs (Illustrator, InDesign)
- Good understanding of plant material in the mid-Atlantic region and planting design
- Ideal candidate may also possess following additional qualifications:
 - Possess residency or citizenship.
 - Arborist Certification.

Position and Benefits:

- Long term prospect, with expectations for advancing responsibility and leadership potential
- Competitive salary, commensurate with experience
- Health insurance and Long Term and Short-Term health benefits,
- 401K investment plan as well as corporate matching
- Profit sharing
- ASLA membership and support in professional training
