

WMWA Landscape Architects is seeking designers with 2-5 years of experience to join or team. Applicants should possess strong design, hand and computer graphics, as well as written and verbal communication skills.

WMWA is a 2021 National ASLA Honor award-winning landscape architecture practice providing high quality planning and design. We strive to create work of integrity that is timeless, serves the needs of clients, enhances the well-being of all living things, and honors our philosophy.

Our portfolio includes a wide variety of projects focused on urban design, planning, park, green infrastructure, and residential. We work closely with clients to understand their sites, tackle challenges, and exceed expectation.

Visit our website for more information: www.wmwala.com

Compensation

Compensation includes a competitive salary, full paid health, dental, life insurance, and \$100 monthly contribution to a health saving account. The office takes eleven paid holiday days and employees built up to 4 weeks of paid time off after your second anniversary.

Also, Chattanooga is an awesome city!

Requirements

Candidates must have a degree from an accredited LA program.

Individuals should demonstrate:

- Excellence in graphic and design skills.
- Experience in project management.
- Proficiency with the Adobe Creative Suite, 3D and GIS software, and AutoCAD.

Interested applicants should send a resume and portfolio in one of the following formats to land@wmwala.com.

- PDF format via email (max 10MB).
- Link to online file (dropbox, etc.)
- Link to online website.
