

SEEKING EXPERIENCED DESIGNERS - Pay is commensurate with experience

JHLA is looking for talented and energetic designers to join their landscape architecture firm as mid-level designers and project managers.

Jennifer Horn Landscape Architecture is an award-winning, Washington DC landscape architecture firm, specializing in the design and implementation of high-end residential and commercial gardens throughout Virginia, Maryland, Washington DC, Delaware, and New York state. An established boutique residential firm, JHLA is expanding its commercial and public work and looking for talented landscape architects to join their dynamic team. The ideal candidate is a team player interested in playing an active role in the firm as we continue to grow. With her combined degrees in horticulture and landscape architecture, Jennifer Horn leads the studio with a keen eye for planting design, which is integral to every project. Planting knowledge and experience are a plus.

JHLA is seeking a candidate with at least 5 years of experience in the landscape design/build field. The ideal candidate holds a master's degree in landscape architecture, although candidates with a bachelor's degree and relevant experience will also be considered. Basic AutoCAD, hand graphics and demonstrated project management skills are considered essential.

Required skills:

- Degree in landscape architecture or architecture
- Demonstrated experience with site design, including detailing
- Proven management skills including overseeing staff designers and interacting with consultants and clients
- AutoCAD fluency
- Creative Suites fluency
- Sketch up
- Lumion is a plus

Required application materials:

- Resume
- Portfolio of work
- Cover letter
